

TROOP 672 SEVERN, MD

"Rain, Shine, Sleet or Snow"

Our Troop:

Who: Troop 672

What: Troop Meeting

Where: American Legion Post No. 276, 8086 Quarterfield Road, Severn, MD

When: Tuesday evenings, 7:00pm (no meetings from Thanksgiving to New Years)

Why: Learn about Scouting (Have Fun)

Troop 672 is sponsored by American Legion Post 276 and has been a Chartered Boy Scout troop for over 30 years and currently has 51 boys and 13 adult leaders actively participating in the program. Approximately 30 Boy Scouts attend each weekly meeting. Troop 672 is committed to being a "Boy Led Troop" that provides the structure for the development of boys and young men within the context of the Boy Scouts of America program.

Being a Boy Scout can mean something different to each of those participating or looking at the program. Boys join our troop for many reasons including: developing friendships, learning about the outdoors, working toward rank advancement, and becoming an Eagle Scout. While each of the above reasons is good justification, we all know that a Scout's interests changes as they grow. It is our desire to provide a program that stimulates the interest of each Scout so that as they mature they are able to identify with and benefit from our program while having fun.

Although not required, it is our Troop's desire that parental involvement be strongly considered. This approach helps everyone in the troop by building on the relationship between the parents and their boy(s), increasing the Scout's success, and assisting in the adult supervision required of a boy led troop.

We look forward to seeing you at one of our Tuesday evening troop meetings at the Legion. Please call ahead or email Mr. Bill Sproul, (W) 703-602-4238, (H) 410-551-6881 or wesproul@comcast.net, william.sproul1@us.army.mil so we will know to look for you. Please check out our Home Page and schedule of events at www.bsatroop672.org/

Sincerely,

Mr. Pete Walsh
Scoutmaster

William Franchy
Senior Patrol Leader
